June Caravel

Unsungwarrior wins London Song Remix Competition

On January 1st, 2012, French singer-songwriter **June Caravel** launched a remix competition of her critically acclaimed single **London Song** taken from her newly launched EP **The A Cappella Sessions**. Little did she know that remixes would come from all over the world and that a Croatian DJ/Producer based in Munich, **Unsungwarrior**, would win it!

Paris-born June had already created quite a sensation with her **London Song** Video (<http://www.youtube.com/watch?v=txtLnQlaTJk>), with more than 7000 cumulated views on Youtube, Vimeo and Dailymotion. She had the idea of launching her **London Song remix competition** after several DJ/producers contacted her via Youtube and asked whether they could remix the A Cappella song. The contest which ended in January saw Dub, Electro, Funk, Lounge, Tech House minimal remixes coming as far and wide as the USA, Australasia and Europe... And it's the London Dub remix by **Unsungwarrior** that was chosen. *"I had lots of fun making it and I am very surprised about winning the competition."*

You can watch the video of the **original London Song**, listen to the **winning remix** and to all of the other London Song remixes on <http://junecaravel.free.fr/londonsongremix.html>. And the remix competition continues in February with another track of the EP The A Cappella Sessions, "I'm not forgiving you".
